TD is Debbie Moloznik

Contract is awaiting signatures from the Oklahoma City Fairgrounds representative. Waiting for their signature.

3 -- \$500 Grant issued to Marsha Cullen. She wrote us a thank you. Her article about the trip

has already been published in the newsletter.

Newsletters are now on website. Hope to figure out a way to send a notice to everyone. Not many people are signing up for the email blast.

4 -- ODS delegate to USDF Convention in Boston. No one plans to go. Sherry can't be delegate because she is on the USDF executive board. Sherry will ask Anne Kuhns to be our delegate.

5 -- Regional Champs -- Tamera Mayo has volunteered to be the stall coordinator for those wishing

to be in the ODS area. The management requests that one person submit all the names wanting

to stable together. Sherry will place the information in newsletter and get it out to those possibly going to championship.

6. Grant ---

A grant may be available from ODS on a case-by-case basis to encourage participation in

national dressage events. An amount not to exceed \$1000 may be awarded depending on the

financial status of the club.

Concern: For the National championship, members might not like serving a grant to a person with available means and a high dollar horse. Like the word dressage to limit grants to other disciplines.

This will be sent out again for any changes/additions before being added to the policies/procedures

7. Dressage foundation: Michael Poulin has donated a 2 day clinic to the state who raises the most new donations.
